WATER TESTING AVAILABLE FOR RESIDENTS WHO OBTAIN WATER FROM PRIVATE WELLS

****HURRICANE IRMA ****

Public Health Advisory #4

Contact: Candy Sims, Public Information Officer

(954) 895-5745

Candy.sims@flhealth.gov

(Fort Lauderdale) – Residents who obtain their water from private wells should be aware that once power to their home is restored, testing of the water is available. To have your water tested, please visit https://fldeploc.dep.state.fl.us/aams/loc_search.asp for **Laboratories Certified Under NELAP** (National Environmental Laboratory Accreditation Program) **by the Florida Department of Health.**

For information on DOH-Broward services please call **(954) 467-4705** or visit <http://Broward.Floridahealth.gov>

RUMOR CONTROL HOTLINES: Broward County – 311, (954) 831-4000 or www.broward.org/hurricane - Florida: 1-800-342-3557

About the Florida Department of Health

The department, nationally accredited by the [Public Health Accreditation Board](#), works to protect, promote and improve the health of all people in Florida through integrated state, county and community efforts.
